

**High School Sunday Morning:** All 9th-12th graders are asked to attend the 10:30 am Sanctuary Service this morning and are encouraged to stay for the Potluck Dinner at noon.

**TODAY**

12:00 noon Potluck Dinner  
in Centennial Hall  
Bring a dish to pass  
and your own table service!

**Weekday Bible Studies:** Terri Wing leads a women’s study on Tuesday at 9:00 am in Room 112. They have started a new Discovery Guide study entitled “Death and Resurrection of the Messiah”. Gail Snow leads an adult Bible study on Wednesdays at 9:30 in Room 112 that is studying Ephesians and Philippians. New members are always welcomed!

**Wednesday Night Classes:** Classes for Preschool-5th graders, 6th-8th grades and adults meet each Wednesday from 6:30-8:00 pm in our education building. Our Crib Room is open from 6:15-8:15 pm.

The sweetest way to support **Ronald McDonald House** is to save your pop tabs. It takes about 1,128 tabs to make one pound and they receive between .40 -.50 cents per pound. Tabs can also come from energy

drinks, soup cans or anything with a metallic tab. There are collection boxes that look like a house with a red roof in both the Sanctuary and Chapel. Let’s do our part this year for our local Ronald McDonald House!

**Sanctuary Project Presentation:** At all three worship services this morning, there will be a presentation about our plans to redo our Sanctuary and other projects around the church that need attention. There is a feed back card inserted in your bulletin this morning for any questions, concerns or positive comments you may have.

**Something to Think About:** We have several people in our church family who have asthma, respiratory problems or are recovering from a cough from the flu and are very sensitive to odors, such as perfumes. Please be considerate of your neighbor in the pew on Sunday mornings.
