HE IS RISEN

“WHY DO YOU SEEK THE LIVING AMONG THE DEAD?”

A religious scene viewed through a stone opening. In the background, three crosses stand on a dark hill against a bright, golden sunset sky. The sun is low on the horizon, creating a strong glow. The foreground shows the rough, textured edges of the stone opening and some dry grass. The overall mood is solemn and hopeful.

BUT HE LIVES

A dramatic landscape featuring a glowing tomb entrance in the foreground, set against a backdrop of rolling hills and a sky filled with dark, stormy clouds. The scene is illuminated by a bright light source, likely the sun, creating a strong glow and lens flare effect. The text "HE IS ALIVE" and "HE IS RISEN" is displayed in large, 3D, purple letters, centered over the scene.
