A gritty, dimly lit interior space, possibly a hallway or a room, with walls covered in graffiti. A door is visible in the background, and a pillar stands on the right. The floor is concrete and littered with some debris. The overall atmosphere is one of urban decay and neglect.

HELP MY UNBELIEF

Mark 9:17-27

“You must make your choice: either this man was, and is, the Son of God, or else a madman or something worse. You can shut him up for a fool, you can spit at him and kill him as a demon; or you can fall at his feet and call him Lord and God. But let us not come with any patronizing nonsense about his being a great human teacher. He has not left that open to us. He did not intend to.”
