

This is the body of Christ. This is life in full color. We need more people, but its more than that, because this church serves so well we want you to be part of it, we want you to live in full color. Let's go back to Romans 12.

**4-6 In this way we are like the various parts of a human body. Each part gets its meaning from the body as a whole, not the other way around. The body we're talking about is Christ's body of chosen people. Each of us finds our meaning and function as a part of his body. But as a chopped-off finger or cut-off toe we wouldn't amount to much, would we? So since we find ourselves fashioned into all these excellently formed and marvelously functioning parts in Christ's body, let's just go ahead and be what we were made to be, without enviously or pridefully comparing ourselves with each other, or trying to be something we aren't.**

Explain

I'm not sure everyone knows the structure of this church. Jill and I don't run the church. We don't just meet and decide what's going on here.

The people in the church who give of their time and talent decide with us the direction of the church.

We are not asking for more volunteers, WE WANT MORE PEOPLE TO EXPERIENCE LIFE IN FULL COLOR. We want you to experience LIFE TO THE FULL. John 10:10 living.

In your bulletin is a card, no pressure but when we have the offering think about checking one of those boxes and we will contact you in the coming weeks to talk about how you might want to get involved with the life of this awesome church.

We are doing this in May to build teams of people for this fall who want to live life in full color and make this next ministry year the best Cascade Christian has ever seen, and keep going from there.

There are people in this church and in this community that need YOU.

Let's as a church live in full color.
