

# Coffee House

No wedding would be complete without having a place for the "girls" to put on those final touches! Guys are welcome, too, if appropriate to your ceremony preparations! The coffee house at Cascade Christian is affectionately known as *Higher Grounds* and clearly can be used for more than pre-wedding gatherings. Higher Grounds is used as a meeting place for church functions, AA meetings, small group gatherings, baby and bridal showers, and much, much more.

With ample, comfortable seating for 25-30, it is a fun and relaxing place to gather and prepare for any celebration!
