

The Community's need at Christmas is our only creed.

Operation Santa Claus helped its first two families at Christmas, sixty-three years ago. Since that time **OSC** has cared for families that could use a hand EVERY holiday season. (Even during the Covid -19 pandemic.) Thousands of children and families have been helped. Area churches, schools and businesses work together to make it all happen!

Volunteer your time: To help, Call Peggy Boelkins at 616-889-4431 or Darcy Hartley 616-617-8408
